**If you have an interest in Fall  
Vegetable Gardening and  
Hydroponic Gardening this will be  
a great opportunity to learn more  
about these topics.**

Speaker for this program is:

Dr. Joseph Masabni, Professor and Extension Vegetable  
Specialist—Texas A&M Research Center, Dallas, Texas.

Dr. Masabni will cover intro to hydroponics and discuss fall garden in  
detail. Hydroponic gardening is a method of growing plants without  
soil, using a water-based nutrient.

This program is being sponsored by Anderson County Master Gardeners and  
Texas A&M AgriLife Extension Service — Anderson County.

Texas A&M AgriLife Extension provides equal opportunities in its programs and employment to all persons regardless of race, color, religion, national origin, disability, age, genetic information, veteran status, sexual orientation, or gender identity.

The Texas A&M University System, U.S. Department of Agriculture and the County Commissioners Courts of Texas cooperating.
