

Environmental Stewardship

EarthKind™ Roses

In an EarthKind™ Environment

“EarthKind™ Roses give greater satisfaction and more pure enjoyment, with less effort, than any group of plants I have ever tested.”

~Dr. Steve George, Professor and Landscape Horticulture Specialist, Texas A&M University

New Dawn Climber

“Easy roses for busy people.”

“EarthKind Roses are super tough, extremely easy to grow landscape shrubs that just happen to have rose blossoms on them.”

~Gaye Hammond, President
Houston Rose Society
