

Johnson County Master Gardeners Speakers Bureau

We provide educators for garden clubs, neighborhood associations, and civic groups. The presentations are on a wide variety of research-based horticultural topics that apply to Johnson County. Speakers should be requested 3 weeks prior to the requested speaking date. We request that the engagements take place in a public place. We do not charge for our services to the community, however honorariums to the JC Master Gardeners are appreciated and will help us continue to offer scholarships to local students pursuing higher education in Agricultural careers. These honorariums should be given in check form to the speaker or can be dropped off at the Agrilife Office.
