Bring your lunch and join us as we welcome our presenter, Lucinda Owen. Mrs. Owen is a 19-year veteran of Montgomery County Master Gardeners. She has been the Earth-Kind® garden manager for 11 of those years. Additionally, she spent 6 years as their outdoor greenhouse manager. As a member of the Texas Master Gardener's Speaker Bureau, she has taught numerous courses on a wide variety of topics.

Earth-Kind® landscaping uses research-proven techniques to maximize your garden and landscaping while preserving and protecting the environment. Included in the scope are water conservation, reduced use of fertilizers and pesticides and reduction in landscape waste entering landfills. As an added bonus, Mrs. Owen will be sharing her knowledge of growing bulbs in our area.
