

Military Honor Garden with Pavers

The military history of Victoria County is acknowledged in the Military Honor Garden alongside the Patriotic Garden. Pavers have been placed to honor or memorialize military family members and/or friends. A historical plaque stands in front of the former Officer's Club of Foster Field explaining the area's usage as training ground for pilots during World War II.

Location: 333 Bachelor Drive Victoria, Texas

*From the beginning of the history of the United States of America
there have been mortal conflicts.*

*Throughout these events Americans rose up to provide their services to quell these conflicts.
These military pavers contain names of persons who are giving or have given their utmost in
time and effort in serving in the military of the United States of America in order
to preserve and maintain peace and tranquility in the world.*

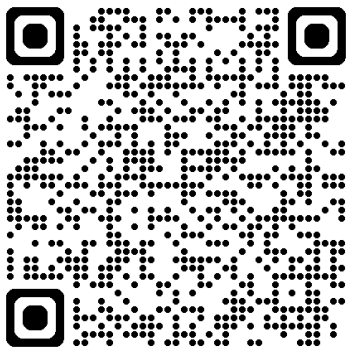

Some experienced unendurable hardships.

Some sacrificed life and limb so that you may enjoy your greatest gift -- FREEDOM.
(Written by Ed Gregurek, Victoria County Master Gardener Association Charter Member since 1997.)

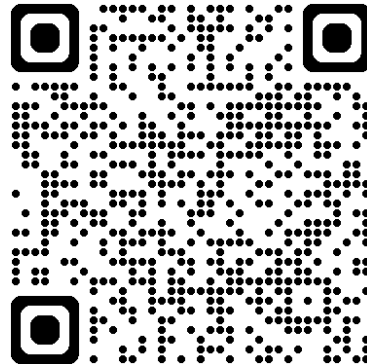

Each paver is listed in **alphabetical order** with its location.

The rows are marked off vertically from letters A-I and horizontally from number 1 thru 109.

A QR Code is provided to point your device at to see the listings on our website with explanations:

Please call: 361-935-1556 for more information.

Example:

ELROY PETERS G93

***Start at the far left.**

***Look for row G vertically.**

***Walk down horizontally until you spot 93.**

You will periodically see “letters” and the numbers marked off by 10s.

We appreciate all who have helped to make this Military Honor Garden a place of HONOR.
