Volume III, No 1, January 2011

Our December class on Tucking the Garden in for Winter was led by Beth Turlington, with a tool sharpening demonstration by Fred Hall. Thank you Beth & Fred! Our January program, Totally Tomato by Jackie Godwin, will be January 19, at the Forum from 10 am until noon. Please put the date on your calendar and bring a friend. Cost is \$5 for the general public and is free to MGs and Interns.

STATE EVENTS

The Texas AgriLife Extension Service is pleased to offer the Texas Master Gardener license plate.

The license plate is available for \$30.00 annually in addition to your vehicle registration fee. Personalization is an additional \$40. Of the \$30.00 plate fee, \$22.00 will be returned to the Texas Master Gardener Program for scholarships and associated activities.

[Click here](#) to order from the TxDMV online, by fax or by mail.

Visit [MGTV-Texas](#) on YouTube for several on-line tutorials to assist Master Gardener volunteers in becoming familiar with some of the latest innovations in web communication technologies. That may sound a bit complicated, – but you will find that these tools are easy to learn/use and – most of them are free. These training modules will provide the basic information to get started – then let creativity be your guide.

The goal of MGTV Texas is to train MG volunteers in the use of these tools to assist in supporting County, Regional and State Extension educational programs. As the number of trained volunteers increases, we will soon have a network of web communicators, sharing information on key programs and activities throughout Texas and beyond.

MGTV-Texas was developed by Don Wilkerson, Professor & Extension Specialist, Department of Horticultural Sciences, Texas A&M University
