OBJECTIVES OF THE MASTER GARDENER PROGRAM:

- Expand the capacity of the Texas A&M AgriLife Extension Service to distribute horticultural information to individuals and groups in the community.
- Develop and enhance community programs related to horticulture. Depending on community needs, these may be through news articles, clinics, presentations to garden clubs, schools, and other community groups, and by telephone contacts.

AGREEMENT: I understand and agree that if accepted into the program I must attend all scheduled classes. (Note: The Class Schedule will be announced later in the year and posted on the webpage) I also understand that I will become a Certified Master Gardener only when each of the following are completed:

- 1) My background check has been cleared and filed with Bastrop County Master Gardeners
- 2) Completed the 50-hour course and passed the final exam
- 3) Completed the 50 volunteer hours on approved Bastrop County Master Gardener projects within 1 year of completing the class.
- 4) I understand that educational programs conducted by the Texas AgriLife Extension serve people of all ages regardless of socioeconomic level, race, color, sex, religion, disability, or national origin.
- 5) I understand that each year I must complete 20 volunteer hours on approved Bastrop County Master Gardener projects and 6 Continuing Education Units and pay dues timely to continue as a Certified Master Gardener.

I further pledge not to use my Texas Master Gardener Certification to promote any commercial venture.
