

# Introduction to Water Smart Landscapes

**Saturday, June 24  
11am - 12pm**

**TechH<sub>2</sub>O Center, 10751 Montana Ave.**

Learn how to tackle the landscape design process by following simple principles.

Horticulture Extension Agent Denise Rodriguez from Texas A&M AgriLife Extension Service will explain the design principles that create attractive, functional and environmental friendly landscapes.

**FREE** workshop open to the public.
