

El Paso County Master Gardeners
Ardivinos' Farmer's Market
Saturdays, 7:30 a.m. to 12:00 p.m.

September 2017 Gardening Series

Recycle, Replenish, Refurbish, Renew and Reap! A Fall & Winter Garden Checklist!

Saturday, September 2

RECYCLE!

Use home, lawn & garden organic waste
to start a "batch" of nutrient rich compost.

In-Booth Consultant:

Bev Clark, MG Composter Specialist

Saturday, September 9

REPLENISH!

Learn how to choose & restock your supply of vegetable plants and seeds
for Cole Crop fall & winter vegetable gardening

In-Booth Consultant:

Penny Leslie, MG Propagation Specialist

Saturday, September 16

REFURBISH!

Now is the time to maintain your garden hand tools & your health.

In-Booth Consultants:

Rex Morris, MG & Bev Clark, MG Composter Specialist

Saturday, September 23

RENEW!

Amend your garden soils for planting and
install or perform a maintenance check on existing irrigation.

In-Booth Consultants:

Bev Clark, MG Composter Specialist

Carol Allen, MG Irrigation Specialist

Saturday, September 30, 9:00 a.m.

REAP!

Summary Talk: Learn fall and winter gardening preparation and planting techniques
along with "how-to" information on seed propagation of cole crops.

Speaker: Penny Leslie, MG Propagation Specialist

Door prize to be given away after the talk. / Need to be present to win!
