Pick Up Trees: **Thursday, January 17, 2019** **and Friday, January 18, 2019**
11 am - 5 pm **10 am - 2 pm**
Derrell Hall Education Center
2505 N. Center Street
Bonham, Texas
Located next to the Fire Station and across the street
from the USDA Service Center
Trees will be sorted and organized in the grassy lot behind the building.

Please Note: **The trees and plants are bare root and need to be picked up ASAP!**
Please refer to the "Description Page" on pecan trees.
All bare root trees and plants are susceptible to drying out, especially
pecan trees. The trees will be packed in moisture retaining material,
but it is essential for the success of the plant to be picked up and care
taken to plant/water in a timely manner.
Planting instructions are available as well as instructions of how to
hold over the trees and plants until they can be planted.

Fundraiser is sponsored by:

**Fannin Soil and Water Conservation District,
Fannin County Master Gardeners, and
4-H Clubs of Fannin County**
