

Registration Information

Registration

- Each participant must register individually, even if attending as part of a group.
- Counties may submit multiple registrations on one form, but each attendee must have their own registration.
- County Extension Agents are responsible for ensuring all participants are properly registered.

Email & Communication

- All conference details will be sent to the email provided at registration—accuracy is critical.
- Communications will come from the Conference Team and AgriLife Registration.
- If you are not receiving emails, please contact us at least two days prior to the conference.

Conference Access

- Portal access (link and password) will be included in registration confirmation email.
- The Conference Portal provides entry to all Zoom sessions.
- Save your login information, as it will also be required to access recorded sessions after the conference.

Registration Deadline

- Leadership workshop registration closes at midnight on June 15, 2026.
- State conference registration closes at midnight on June 24, 2026.

Cancellations & Refunds

- No cancellations or refunds.
- All registrants will have access to recorded sessions for four months following the conference.

Technical Requirements

- A computer, tablet, or smartphone with speakers and a stable internet connection is required.
- A microphone is optional but may be used during interactive portions.
- Downloading the Zoom app is recommended.

Pre-Conference Training

- A Zoom training session will be offered the week prior to the conference to test connections and review platform features.
- A recording and written instructions will also be available.

Code of Conduct

- Participants are expected to engage respectfully. The chat and speaking features should be used appropriately for questions and discussion.

Disruptive or inappropriate behavior may result in removal from the conference.
