
COMPANION PLANTING

Learn what plants, when planted together, will grow the happiest, healthy garden ever!!!

BCMG Educational Seminar/General Meeting

Thursday, June 18, 1 pm - 3 pm

Texas A&M AgriLife Extension Office
3355 Cherry Ridge Drive, Suite 208
San Antonio, TX 78230

Master Gardener Don Cites will help explain how you can attract the beneficial insects, repel the harmful insects, and/or improve the flavor or growth of the plants in your garden by using companion plants.
