

The search is on for
citizen scientists to record
observations during the
April 8, Total Solar Eclipse!

- Open to all ages. No experience necessary!
- Observation forms and eclipse glasses (*while supplies last*) available at the Gregg County Extension Office. (405 E Marshall Avenue, Longview, TX)
- Record observations from any location in Gregg County. (*Master Gardeners will be at the Longview Arboretum & Nature Center, and the JR Curtis Jr. Garden for the Blind at the Maude Cobb to answer questions during the eclipse.*)
- Return Observation form to the Extension Office no later than April 15.
- All completed forms will go into a drawing for a \$50 gift card!
