## Master Gardeners at Farmers Market

By Lydia Holley, Master Gardener

Do you have gardening questions? Are you interested in knowing what nutrients your soil might need? Want to identify a certain weed, know how to grow a particular plant, or need a plant recommendation for a difficult area? Ask a Master Gardener.

Access to Henderson County Master Gardener Association (HCMGA) has never been easier. From now through October, HCMGA will be at the Athens Farmers Market on the first Saturday of every month.

The Athens Farmers Market is located at 212 N. Palestine, Athens, Texas. HCMGA will have a booth on July 6, August 3, September 7, and October 5, from 9:00 a.m. until 1:00 p.m.

Stop by the HCMGA booth to pick up a soil sample kit, a brochure about becoming a Master Gardener, ask plant- and garden-related questions, or find out about future events and presentations. In addition to your gardening problems, HCMGA is also interested in hearing about your gardening successes.
