

We Grow . . .

We can show you gardening

in sun and shade, spring and fall
in square feet and greenhouses,
in hay bales, raised beds, buckets
and pots,
in keyholes and kugelkultures,
in hydroponics and aquaponics

with heat and drought,
with herbs, bulbs, succulents, cacti,
veggies and micro-greens
with annuals, perennials, natives,
fruits and berries,
Superstars and Earthkinds

for older people and children,
for pleasure and sustenance

about soils, compost, diseases, and
propagation
about bugs, bees and butterflies
about lawns, trees, and landscaping,
about Bonsai and sensory plants
about fire-wise & water-wise planting
about mistakes ...
... and even art in the garden.

We can also talk about the Junior
Master Gardener Intern Program *
the Master Gardener Intern Program *
McLennan County Master Gardeners
and the Carleen Bright Arboretum.

We Teach . . .

To Schedule a Talk

Call our **project coordinator:**

Nelda Cooper **254-749-4499** or

email: coopernelda53@yahoo.com

Call **Ask a Master Gardener:**

254-757-5180 at the AgriLIFE

Extension office.

Complete the request form on our
website:

www.txmg.org/mclennan

Some presentations are given with computer,
projector and screen; some are demonstrations and
some use other formats. Speakers generally bring
what they need. Most talks are 20 to 40 minutes.

Our projects include:

Annual Plant Sale*

Back Forty Research Garden

Children's Garden Fair*

County Extension office Shade Garden*

Mountainview, Woodway elementary

schools; Tennyson Middle School

Habitat for Humanity

Lunch with the Masters*

Mayborn Museum*

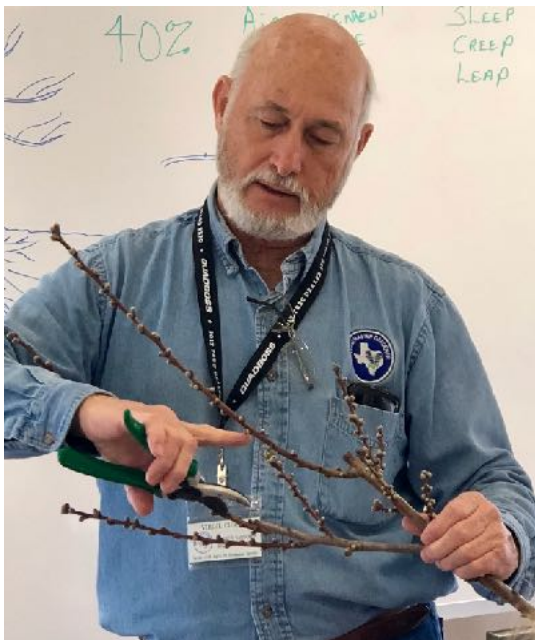

Miss Nellie's Pretty Place*

Texas Water Star Project

** open to the public*

Trained and certified

Master Gardeners are volunteers who have been trained to educate the public about good horticultural practices based on scientific studies. To be certified, they must earn education hours and provide required hours of volunteer service each year.

Presentations by the Speakers Bureau are available to a wide variety of audiences including garden clubs, civic and service groups, study clubs, school and neighborhood associations, senior organizations and care centers.

Printed March 2019

Ask a Master Gardener

For gardening questions, call **Ask a Master Gardener** - **254-757-5180** - Tuesday and Thursday from 1:30 to 4:30 p.m.
