*MEMORANDUM TO ADMINISTRATORS OF AREA EDUCATIONAL INSTITUTIONS*

The Nueces Master Gardeners, Inc. (NMG), a Texas A&M AgriLife Extension Program, is presenting the call for applications for the 2021-2022 school years to assist local youth who are interested in continuing their education in horticulture through training or formal education.

The Nueces Master Gardeners have been in existence for over 25 years whose **mission** focuses on educational outreach to the community, sharing research-based and environmentally conservative methods of garden and landscape management, water protection, plant selection and other horticulture issues.

The Nueces Master Gardener Intern Scholarships are to be awarded to 10<sup>th</sup>, 11<sup>th</sup> and 12<sup>th</sup> Grade high school students or post graduate students up to the age of 23 who have an interest in horticulture/gardening and will enter the program with the goal of becoming a Certified Master Gardener. At least one Parent(s) Guardian/(s) is/are strongly encouraged to participate

The documentation for these scholarships is listed in the Overview Statement. The Scholarship Committee will be using all these documents when making its decision. Completeness is essential.

The application and supporting documents can be scanned and sent via email. Optional method is to submit by U.S. postal service to Nueces Master Gardeners, 710 E. Main Avenue, Suite 1, Robstown, Texas 78380. Whichever method is used, all documentation **MUST** be received in our office by March 31, 2022

Thank you for your time and we look forward to receiving applications from your students meeting the criteria of our scholarship offer.

Sincerely,

Scholarship Committee
