Subject: September Schedule

Dear Team,

Below calendar shows available workdays and major projects. Minor projects include:

1. Level Memorial pavers
2. Install Welcome sign.
3. Filter cloth on northwest corner of building for downspout – Darchele?
4. Concrete pads under angel.
5. Level stones along alley.
6. Plant veggies.
7. FYI - Butterfly signs have not yet been received from NABA.

I won't be available to help on the 20th or 21st. However, there may be something that you can do without guidance on those days, if you have some free time. After September, our WorkDay will be 4th Wednesday of each month.

| | S | M | T | W | T | F | S |
