

Hello,

The Victoria County Master Gardener Association is seeking sponsors to assist in funding for our fall symposium on October 7, 2023. This event provides an opportunity for garden enthusiasts to gather and experience knowledge shared by four excellent speakers. In past years we have had a great turnout and our goal is to see this event grow with more attendees.

We are a 501(c)(3) nonprofit organization coordinated through Texas A & M Agri-Life Extension – Victoria County. Our mission is to provide continued garden education to children and adults in Victoria and surrounding communities.
