

JMG Committee Report for June 7, 2001

Arlene Boyer sent me a report which I am attaching about the activities she did in April and May with expenses and donations included.

Christie Gardner and I plan to start back helping at Emerson Academy soon. We have been asked back. Not sure if we'll teach in the classroom or just in the garden at this time. Emerson Academy is an all abilities school/daycare. Before the pandemic shutdown we were working with 3-4 year olds and 5-6 year olds with 12-15 children in each class. I'm planning a meeting with the head of the Academy next week.
