

**Advanced Master Gardener Training
Greenhouse Management
October 14, 15, & 16, 2022
Cleburne High School/AG Department, Johnson County
824 N Colonial Dr, Cleburne, TX 76033**

Advanced Training Purpose:

To provide advanced training whereby Master Gardeners can obtain specialization in areas that support or expand designed programs of Texas A&M AgriLife Extension Service.

Advanced Master Gardener Training – Greenhouse Management:

In an effort to provide training, the Advanced Master Gardener Greenhouse Management training was created as a hands-on, intensive multi-day training that will empower Master Gardeners with knowledge and skills required to effectively support and multiply Texas A&M AgriLife Extension efforts in educational programs. The class will teach you about greenhouse management for greenhouses in the home landscape and used by county Master Gardener associations. Training attendees will also tour some commercial size greenhouses.

Master Gardeners who fulfill specified training and volunteer requirements will be recognized as an Advanced Master Gardener in the specific field of Greenhouse Management. This certification does not empower the individual with supervisory or administrative authority within his/her local county programs.

Participation Requirements:

To be eligible for the Advanced Master Gardener – Greenhouse Management training, an individual must possess an up-to-date Master Gardener certification, or be an employee of the Texas A&M AgriLife Extension Service. Master Gardener application must be approved by their local County Extension Agent.

Advanced Master Gardener Training – Greenhouse Management

The Advanced Master Gardener Training – Greenhouse Management program is designed to train and certify Master Gardeners to become part of a state corps of Greenhouse Management experts and educators. To become a certified Advanced Master Gardener in Greenhouse Management, Master Gardeners are required to attend the Advanced Master Gardener in Greenhouse Management training to fulfill training requirements and subsequently meet service requirements described below. Training activities during the course will empower Master Gardeners to complete these service requirements.

Position Description:

The Advanced Master Gardener Training – Greenhouse Management is charged to increase awareness and provide training in Greenhouse Management, both hobby and commercial areas.

Time Commitment:

The Master Gardener is required to serve a minimum of one year as an Advanced Master Gardener in Greenhouse Management providing a minimum of 20 hours of service. Train Master Gardeners in their county, present the information to at least 3 other groups, and set up a demonstration in their county.

Training and Service Requirements:

- Attend the Advanced Master Gardener – Greenhouse Management training
- Serve as a local Advanced Master Gardener – resource
- Assist with Greenhouse Management training for Master Gardeners and trainees
- Conduct community/youth Greenhouse Management education programs
- Increase clientele knowledge about Greenhouse Management through: presentation, workshops and mass media efforts (i.e. radio, newspaper, television, newsletters)

Specialist Recognition and Certification:

Upon completion of the Advanced Master Gardener – Greenhouse Management service requirements, the Master Gardener will be formally recognized at the annual Texas Master Gardener Conference, at which time they will be awarded an Advanced Master Gardener Certificate.
